Dedication

Lloyd Matson, George Ricks, Charles McDaniel, Jack Springer, Glenn Simpson, Herman Burgess, Ellen Morse, Maurine Manns.

1968 . . . the year of the Battlin' Blue, and also the last year of the Lake View Independent School District. A milestone in history achieved in one year--1968--through consolidation with the San Angelo city school system by vote of the citizens of both districts September 23, 1967. As tribute to the dissolved Lake View Administration and Board of Education, we, the Chieftain staff of 1968, wish to dedicate this book of memories and recollections to the men and women who tirelessly strived to serve the educational needs of Lake View--Mr. Lloyd Matson, superintendent of schools, Mr. Mac Snodgrass, assistant superintendent, and the Lake View Independent School Board.

really hum nice
knowing you this past

little sister to me. Remember
all the good times we've had
and don't forget all the fights we've
had, you little bitch! Keep Paul
under your wicked ways. Don't
ever boss him around like you used
to, sum though it is a mam's world.
Paul is a real meat guy but don't

Dear Cindy

well, it looks like another year has managed to slip away! Doesn't it? I can not tell you how much I've enjoyed this year and how I treasure having known you for these past months. It has been a real privilege going with you, and I hope our close friendship never ends! I hope that you remain as cute as you are and that you always keep your winning personality. I will never forget the many hours we've spent together, and I hope that there will be many more like them. May God bless you and keep you always; I hope for you only the best of luck; and may anything that happens to you be for only the best.
